2003 PARK GUIDE
Paramount's GREAT AMERICA
NICKELODEON CENTRAL
THE BEST CHOICE FOR FAMILY FUN!

WELCOME!

Dear Valued Guests,

Welcome to Paramount's Great America! We know there are many entertainment choices in the Bay Area, and we thank you for choosing to spend your day with us. We are committed to making sure you have a memorable day filled with fun and adventure.

If you haven't visited Paramount's Great America lately, you'll find the park re-energized with **new** family and kid-friendly attractions and **updated** amenities. It is our intent to create an environment where there are activities for everyone in the family to enjoy.

This season, the epicenter of excitement is in **Nickelodeon™ Central**, a brand new expanded area just for kids. In addition to our 10 new Nickelodeon® rides and attractions, we've added a new entertainment line up, including the hit Las Vegas production *Legends in Concert®*. And, as always, Paramount's Great America still has the **most coasters**, the **most water rides** and the **most kids' rides** in Northern California.

Lastly, I wanted to take a moment to acknowledge our continued commitment to safety and security. Ensuring the safety of our guests is our highest priority and the most important thing we do each day. Please take a moment to review the park rules listed in this map, and help us by using common sense and good judgment throughout the park.

Enjoy your day!

Tim Fisher
